

TRY OUR VERY OWN MASTERPIECE RED & WHITE ARTFULLY BLENDED BY DIRECTOR DANIELLE CUSTER

Masterpiece Red was created by our Director Danielle Custer in partnership with Townshend Cellars to commemorate the opening of the Olympic Sculpture Park in early 2007. It is a Super Tuscan inspired blend consisting primarily of sangiovese and cabernet franc grapes, all from Washington State. It is dry and earthy with flavors of tart and ripe cherry, citrus, plum and tobacco – a terrific food wine.

Created by our Director Danielle Custer, Masterpiece White was created to commemorate the opening of the Olympic Sculpture Park in 2007. It is a unique blend of Washington Sauvignon Blanc, Viognier and Riesling. Tropical, fruit forward and food friendly these grapes blend a delicate balance of fruit and floral. It is earthy and balanced with hints of ripe pineapple & fresh fennel.
